High School Credit Tracker

Track courses and credits toward graduation. Most diplomas run about 24 credits.

Student:
Class of:

Course	Subject area	Year	Credits	Grade

Typical college-prep plan: 4 English · 3-4 Math · 3 Science · 3 Social Studies · 2 Foreign Language · plus electives. One credit is about a full-year course (120-180 hours). Confirm your target colleges' requirements.

Building a transcript next? Homeschool Fox turns your courses and credits into a college-ready transcript. Start free at homeschoolfox.com.
